The following is an examiner's statement of reasons for allowance: the prior art fails to disclose all of the limitations of the claims including, "said handle including a first teething material of a first hardness and a second teething material having a hardness substantially similar to that of said first hardness of said first teething material, said second teething material molded over said first teething material..."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
